

DR DAVID DAWOOD FROM THE UNITED KINGDOM PRESENTING IN SA

The CSDI is very pleased to host our first meeting for 2011 with a world renowned international speaker. Dr David Dawood is based in the UK. He has a special interest in diagnostic radiology and cutting edge dental implant reconstruction.

The CSDI is again committed to the general dentist involved in implant logy in 2011. We will be bringing you an affordable CPD program. We thank you for your support in the past and are looking forward to serve you in 2011.
