## Venues

### Prof. Peet van der Vyver

Peet van der Vyver qualified as a dentist BChD (Cum Laude) at the University of Pretoria in 1992. In 2007 he completed a Diploma in Endodontics (Cum Laude), Masters degree in Endodontics (Cum Laude) and a Diploma in Aesthetic Dentistry (Cum Laude). He also received several gold medals and awards for his academic distinction in many fields of dentistry.

Prof van der Vyver, a private practitioner based in Sandton, Gauteng is a member of SADA, IADR, NOMADS, Study Group 1, Endodontic Society of South Africa, Dental Materials Group and the Academy for Microscope Enhanced Dentistry. He is a part-time lecturer in the Department of Odontology, School of Dentistry, University of Pretoria. From January 2008 he was appointed as an Extraordinary Professor in the Department of Odontology. Peet is currently the President of the Endodontic Society of South Africa and Nomads.

At the 1993, 2000 and 2001 IADR congresses he won the Hugo Retief Award for research in Dental Materials, and was the recipient of the 1996 and 1997 Floyd Memorial Award for the best scientific papers published in the Journal of the Dental Association of South Africa. Prof van der Vyver has over 152 publications (24 in peer reviewed journals, 40 in popular scientific journals, 8 in dental newsletters and 81 published research abstracts) to his credit. He has lectured extensively (370 lectures at 185 different congresses) and has organized and presented numerous dental courses, lectures and hands-on symposia at national and international congresses.

Endodontics and bonded restorations accounts for a significant percentage of Prof van der Vyver's practice income and he is eager to share his passion and knowledge about these subjects with those who attend his lectures.

In his limited spare time he enjoys photography.
